

Closed session PC meeting 13th January 2015

292. The Clerk advised that she had contacted Revd. Evan France (EF) who had confirmed that the Diocese had already passed the documents for registration of the Trust's land to the Land Registry. She has since requested an update and EF has confirmed that it is still with the Land Registry.

The Chair will speak with Anne Yarrow to get agreement for her to confirm to only the Chairs of the HDCC, Village Hall and Playing Field committees that the PC are in discussions with the trustees over the PC's purchase of the Trust's land at the entrance to the playing field.

279i, vi. The Chair proposed and it was agreed that any budget for 2014/15 left in the 'Entrance to the Playing Field' budget column before the end of the financial year go into 'New Village Hall Fund' earmarked reserve. It was agreed not to undertake the ditching work in Wilderness Lane and that the Highways contingency also go into the aforementioned reserves fund before the end of the financial year. Increases in the reserve fund will be used to help to reduce the amount of the loan for the land purchase. The Clerk highlighted that the legal fees would still need to be paid from this fund in 2015/16.
