## HADLOW DOWN PC – COUNCILLOR UPDATES FOR MTG 7<sup>th</sup> JUNE 2022

## **Peter Weston**

- 1. Various highways and footpath issues reported to East Sussex CC.
- 2. SID: Routine battery changes and data downloads (every two weeks). Moved the speed indicator display back to the A272 site. Several contractors contacted seeking quotes for a support for a potential new site on the A272. On-site meeting with ES Highways to resize the two existing poles. At the request of a local resident the data for school lane has been re-analysed to strip out school day data in order to ascertain how parked cars act as a 'calming' influence see tables below.
- 3. Annual 'Finger Post' risk assessment carried out and report compiled see separate agenda item.
- 4. Monthly bank reconciliation documents scrutinised before wider circulation. Various documents posted on the two noticeboards.

## Data for School Lane northbound: 29th March to 27th May

All Vehicles											
Range	0-24	25-29	30-34	35-	40-	45-	50-	55-	60-	65+	Total
