

HADLOW DOWN PC – COUNCILLOR UPDATES FOR MTG 2nd AUGUST 2022

Peter Weston

1. Various highways and footpath issues reported to East Sussex CC.
2. SID: Routine battery changes and data downloads (every two weeks). The SID was moved back to the A272 on 7th June – an analysis of the first three caches of data (6 weeks) is set out below.
3. SID third site (on A272 adjacent to the top entrance to the Church grounds). None of the contractors on the ESCC 'Approved Contractor' list have indicated that they are prepared to undertake the work to install the socket required (probably due to the small size of the potential contract); thus alternatives are being pursued but no resolution as yet.
4. Anti-social behaviour complaint by local resident: Contact details of the PCSO provided (by Clerk) so that the complaint could be appropriately registered.
5. Several Complaints received re noise from Wilderness Wood – site visit carried out.
6. Spring Lane 'Rat Run': A further survey of traffic carried out.
7. A272 Kissing Gate crossing: Contact details of the responsible East Sussex Officer have now been provided – the Officer has indicated that they will re-assess the crossing asap. A further concern has been raised regarding the loss of a path fingerpost by the 'kissing gate'.
8. Monthly bank reconciliation documents scrutinised before wider circulation. Various documents posted on the two noticeboards.
9. Preparation for SLR (Strengthening Local relationships) meeting in August.
