

## HADLOW DOWN PC – COUNCILLOR UPDATES FOR MTG 6<sup>th</sup> SEPTEMBER 2022

### Peter Weston

1. Various highways and footpath issues reported to East Sussex CC.
2. SID: Routine battery changes and data downloads (every two weeks). The SID was reversed on 30<sup>th</sup> August (now monitoring eastbound vehicles on the A272). An analysis of westbound A272 traffic (7<sup>th</sup> June to 30<sup>th</sup> August - 12 weeks) is set out below.
3. SID third site (on A272 adjacent to the top entrance to the Church grounds). One quote has now been received for installing the NAL socket (£1,207.00); this is in addition to the East Sussex licence costs – *‘temporary deposit licence is £60.81 and for the excavation licence is now £404.01 or 10% of estimated works cost whichever is the greater’*.
4. A272 Kissing Gate crossing: A response has now been received from ESCC: **“Enquiry ref: 11934406 - Kissing Gate crossing - A272 Hadlow Down.** *Hopefully you have received a reply from our Rights of Way team regarding the missing footpath sign you raised in your previous email. I have now had the opportunity to visit the site to consider your request. Although I appreciate the concerns raised, I have been unable to find suitable locations, within the highways boundary, to facilitate warning signs either side of the crossing. I understand that you will be disappointed with my reply, however it's unfortunate that in some locations across the County, signs just cannot be accommodated. Yours sincerely. Jo Reed. Road Safety Team’*.
5. Chaired and minuted the SLR (Strengthening Local relationships) meeting in August – see separate agenda item.
6. Monthly bank reconciliation documents scrutinised before wider circulation. Various documents posted on the two noticeboards.
