

## HADLOW DOWN PC – COUNCILLOR UPDATES FOR MTG 10<sup>th</sup> JANUARY 2023

### Peter Weston

SID: Routine battery changes and data download (every two weeks). An analysis of westbound A272 traffic (30<sup>th</sup> August to 27<sup>th</sup> December is set out below). Note: the data cache for the period 29<sup>th</sup> November to 21.00 on 12<sup>th</sup> December was not recorded ; despite several contacts with SWARCO's technical advisor a reason for this failure has not been identified.

The SID was due to be moved to School Lane just before Christmas, but this was not possible as East Sussex Highways had obstructed access by attaching a large sign to the pole; the move thus took place on 8<sup>th</sup> January.
