

HADLOW DOWN PC – COUNCILLOR UPDATES FOR MTG 4th APRIL 2023

Peter Weston

SID: Routine battery changes and data download (every two weeks).

Due to the extraordinary fund raising work of Steve Godfrey, and the generosity of local residents and the parents of children attending St Marks School, the third site for the SID (adjacent to the top entrance to the Church on the A272) is now ‘up and running’ (the first week of data is shown below) and a second ‘Speed Indicator Sign’ (SID) has been ordered.

The existing SID has been in School Lane for a while and the data for this site is set out below.
