

Speed Indicator Display (SID) Data Summary for February 2026 Meeting

In my last report I said that the two signs (SIDs) had been serviced and appeared to be working efficiently – I spoke too soon! The SID by Wilderness Wood requires a new part and although the display is working, no data is being recorded. Thus, this report contains data only for the sign adjacent to St Mark's Church.

A272 Eastbound (by St Mark's Church) January 2026

Range	0-24	25-29	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65+	Totals
